From the commander Tony Tagliarino

I attended the district 24 fall conference in Columbus. We had the Chief Commander's Representative R/C Jeff C. Hamilton, AP and the Assistant National Educational Officer, R/C Robert Palmer, SN attend the conference. During the awards banquet, I had the honor of receiving the second place Carl C. Mahken Commander's Award for Power Point Presentation for the Louisville Squadron. This is a national award.

Last year, district called for power point presentations to be shown at the D-24 2011 Fall Conference. Tom Binzer sent out requests to members to gather up pictures. Margie organized the pictures and Terry Chambers did the actual layout. We won first place at district last year.

For the D-24 district, Louisville won first place and Cincinnati won second place. A twist of fate and different reviewers, Cincinnati got first place in the Carl C. Mahken Commander's Award for Power Point presentation. We should congratulate Cincinnati for their presentation too (even if ours is better!).

You can watch the presentation on You Tube under "LSPS D24 Winning Video 2011"

According to the operations manual “a **“Merit Mark”** (MM) is awarded by the chief commander to a member for substantial personal effort in furthering the interest, programs and objectives of USPS, its districts and squadrons. It is a coveted award; it is by and large the only official recognition members receive for their efforts. Only one merit mark may be awarded in a year to a member, no matter how extensive the contribution. A certificate is issued, and a special insignia may be worn on USPS uniforms.”

Tony has sent in recommendations and the following people have been approved for a merit mark. (Editor’s note: Tony cannot recommend himself for a MM, but I am sure he will get one.)
